solution.

Soft measure.

< less confrontational
flexibility

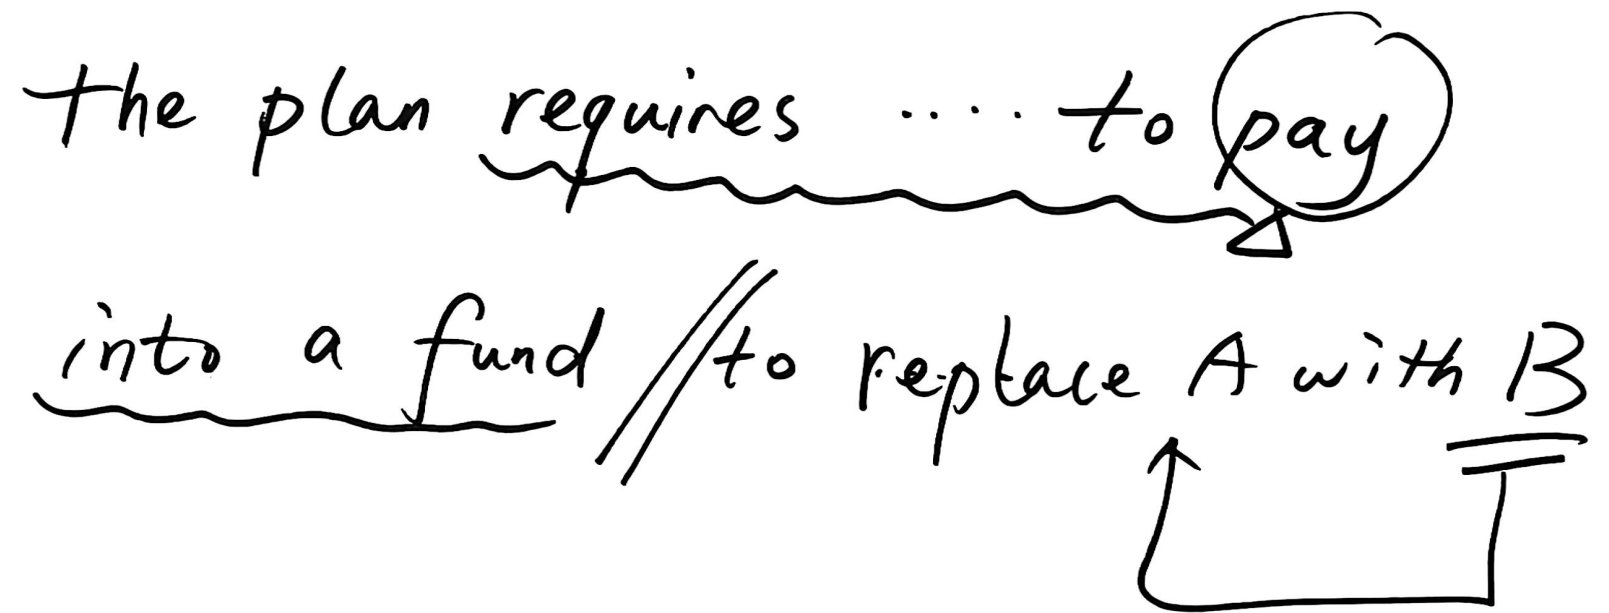

closer collaboration.

greater regulatory power.

tough measure.

the plan requires to pay
into a fund // to replace A with B

The image shows a handwritten note on a white background. The text is written in black ink. The word 'requires' is underlined with a wavy line. The word 'pay' is circled. The phrase 'into a fund' is underlined with a wavy line. The phrase 'to replace A with B' is written below the first line. There are two arrows: one pointing from the circle around 'pay' down to the 'to' in 'to replace', and another pointing from the 'B' in 'to replace A with B' up to the 'A'.
